

Expand your diving Skills

Deep Diver

SDI DEEP DIVING COURSE: The old-school way to earn Deep Diver specialty rating involved long hours in the classroom, pouring over books and charts and complex tables. No more. Through SDI's training program, you'll dive deep the modern way, using personal dive computers and modern techniques and you will earn your new rating by diving and having fun with your SDI instructor.

Wreck Diver

SDI WRECK DIVING COURSE: you'll learn about wreck diving using modern techniques and you will earn your new rating by diving and having fun with your SDI instructor.

Underwater Navigation Diver

SDI UNDERWATER NAVIGATION COURSE: you'll learn about underwater navigation using modern techniques and you will earn your new rating by diving and having fun with your SDI instructor.

Solo Diver

Solo Diver Course: One of SDI's most popular courses, the solo diver program teaches experienced recreational divers how to safely dive independently of a dive buddy or strengthen your buddy team skills. The course stresses on proper dive planning, personal limitations, accident prevention as well as the benefits, hazards, and proper procedures for diving solo. You will also learn the additional equipment that is required for solo diving including its proper usage and assembly. This is the perfect course for underwater photographers and underwater videographers.

If you would like any more details on which courses are available to you please don't hesitate to contact me with my details below . Please note that the above details are only a guide as to some of the available courses and are only a small number of available options..
